PROFESSIONAL EXPERIENCE

Senior Manager, Fundraising and Operations | The Circle India

Jul 2024 - Present

- Led the overall fundraising strategy for The Circle India, managing an annual budget of **₹15 Cr** and a diverse portfolio of **35+ patrons**, including corporates, foundations, and high-net-worth individuals.
- Secured **₹5 Cr+** in new funding in FY 2025–26, establishing seven new institutional partnerships and expanding the organization's multi-year donor base.
- Improved donor retention to **90%** through data-driven, personalized stewardship and engagement campaigns.
- Designed and executed **The Circle's first-ever Technology strategy**, building a multi-year roadmap and leading 5+ tech initiatives to strengthen program outcomes and organizational efficiency.
- Led and mentored a cross-functional team of four, spanning fundraising, technology, administration, and finance, driving collaboration and operational excellence.
- Lead project management of **8+ critical organizational** events (1000+ Footfall) by coordinating across multiple teams, securing and managing vendor partnerships, providing on-site support.

Manager/Associate, Office of CEO | Teach For India

Aug 2021 – May 2024

Strategic initiatives and cross-functional projects

- Supported the launch of Teach For India's 8th site (*Kolkata*) by conducting due diligence & managing the entry, directly impacting **1,000+ students** from low-income communities in the first year of operations.
- Coordinated and executed several fundraising initiatives and events for existing and prospective donors, including The CEO's US Fundraising Roadshows, which raised **INR 4 Cr.+** in unrestricted funding.
- Co-designed CEO's public speaking events and impactful presentations, reaching a cumulative audience of over **30,000 individuals** over two years.
- Co-created and implemented the CEO's Social Media strategy with the Communications team, growing the CEO's followership by **250%** across two social media handles.

Supporting the CEO and the Senior Leadership Team (SLT)

- Supported the CEO with annual & quarterly goal-setting, periodic progress measurement, and daily operations to ensure progress towards goals.
- Organized critical organizational events including Quarterly Board Meetings and Leadership Team retreats/meetings, to enable effective decision-making and culture-building.
- Managed and optimized the annual team budget amounting to **INR 88 Lakhs** and built a knowledge/resource database for the CEO.
- Achievements: Rated as a high performer in 2 appraisal cycles (*top 9% of the 250+ member team*).

Associate Consultant/Analyst | KPMG India

Jun 2018 – Jul 2021

- Identified cost-saving opportunities totaling **INR 7 Cr.** for senior management across various listed and unlisted organizations in the Real-estate, Manufacturing and Hospitality sectors. Implemented process enhancements and controls to address and rectify these opportunities.
- Led reviews of several business processes including Inventory Management, Procurement, Sales, Statutory compliance, Human Resource Management, and SOX 404 compliances, and development of interactive dashboards and Standard Operating Procedures. Facilitated client engagements amounting to **INR 1.1 Cr.** Mentored & trained teams of up to 3 analysts.

- Achievements: Awarded ‘Above & Beyond’ and ‘Kudos’ by the firm for exceptional performance across two quarters (*Awarded to 3 out of 50+ consultants*). Nominated as the sole analyst from the regional office to be part of KPMG’s fully-sponsored Six Sigma training.

INTERNSHIPS

- **General Electric** (May-Jun'17): Prepared monthly Financial MIS and tested a newly implemented GRN system.
- **Life Insurance Corporation** (Oct-Dec'16): Sold 3 products amounting to INR 6 Lakhs.
- **SG Analytics** (Apr-May'16): Generated 1500 leads via online channels. Awarded an LoR for high performance.
